The right Option for you, your business, your family, your lifestyle!

Certified Pedorthist Bridge - \$355

The PST to Pedorthic pre-certification bridge program is designed to provide the PST student with the balance of the competencies required for completion of Level One of the Pedorthic Precertification Program. The Bridge Program, in conjunction with the PST Program, meets all competency requirements of the Level One completion. Candidates for pedorthist certification can attain the ABC or BOC Pedorthist credential through successful completion of Levels 1, 2 and 3 of a CAPE approved pre-certification pedorthic program, passing the Pedorthic Board Examination and completion of 1000 hours of clinical experience.
